Crete is known for its wonderful scenery, fantastic climate and warm welcome that makes it a favourite sun holiday destination, but it has so much more to offer... from botany and cuisine to history and archaeology with a limitless number of sightseeing options. Our guide price is based on the Ideon Hotel in Rethymnon, a great base for many tours, but tours can be based at a range of hotels in a variety of locations depending on the theme of the tour and the places to be visited.

History - from ancient Minoan sites such as the Palace of Knossos and Phaestos, ancient monasteries, quaint towns such as Chania and Rethymon that reveal the island's occupation by the Byzantines and Venetians, even a WWII legacy - Crete is a wonderful destination for an historical tour.

Botany - the island's climate and diversity from coastal plains to

mountain pastures lends itself to a wonderful range of flora and fauna that differs from one part of the island to the other. Expert botanists and guides take you to the best places to see the island come to life in spring.

Culinary - virtually self-sufficient, Crete has wonderful produce and a distinctive local cuisine explored in the company of locals on our culinary tours that take

you to tiny producers, markets, tavernas and typical local artisans.

Walking - a great climate, rugged mountains, a spectacular coastline and dramatic gorges make Crete a mecca for walkers - our tours led by local experts show you the best the island has to offer.

Included in the price

- Return scheduled or charter flights from Gatwick (regional airports available subject to possible supplement and availability)
- Seven nights' accommodation on bed and breakfast basis at the three-star Ideon Hotel in Rethymnon or similar
- Return airport transfers

*Price based on a group of 40 passengers.
