Porto

Portugal's second city is arguably its most appealing, with an historic centre and the beautiful Douro River running through it, lined with port lodges. It is a busy place with lots to do, Porto is a fascinating and vibrant city, that is rapidly becoming one of Europe's most respected tourist destinations. The city boasts an extensive history, interesting tourist attractions and busy nightlife. Porto has it all! From your base in the heart of the old town, the city's wealth of sights are easily explored, with a host of restaurants, cafés and bars including the aptly named Art Nouveau gem, the Café Majestic just down the street from the hotel.

Lello Bookshop

The sights here are plentiful and varied – the port lodges along the Douro bear the names of famous English companies – Grahams and Cockburns, whilst the cathedral district offers atmospheric squares with eclectic architectural gems. Sights include the Terreiro da Sé terrace, which offers a wonderful city panorama, stunning Art Nouveau station, cathedral de Sé, church of Santa Clara and one of Europe's most stunning bookshops.

Our three-night trip represents excellent value to a city that is perfect for a short, relaxing and cultural break.
