Capital of a rich and dominant Maritime Republic, late 15th century Venice became a flourishing centre for the arts, with numerous Venetians investing their considerable wealth on commissions by artists such as Bellini, Giorgione, Titian and Tintoretto. This amazing artistic heritage together with an architecture and city layout unique in the world, makes Venice one of the most alluring cities in the world. Must-see highlights include St Mark's Basilica and Square, the Rialto Bridge, Santa Maria della Salute, the Doge's Palace and the lovely island of Murano, famed for its distinctive glass.

There are a host of fabulous churches, art galleries and museums to explore too, and a trip to some of the other islands, such as Torcello are well worthwhile. Getting about is easy, the river bus service (vaporetto) runs up and down the most amazing high street in the world – the Grand Canal – which connects the different areas of the city. A stroll through some of the neighbourhoods off the beaten track, such as the Jewish Ghetto is very atmospheric and well worthwhile.

Our three-night trip is phenomenal value and includes return flights from Gatwick to Venice, airport transfers and three nights' accommodation at the four-star Plaza Hotel in Mestre, just one stop from Santa Lucia Station on the Grand Canal.
